

SUCK IT UP

**CLEAN UP SLIPPERY, STICKY
POLYMERS IN MINUTES!**

**Rhino Dirt sucks up messy leaks and spills
on contact, leaving a surface that is bone-dry!**

WWTP operators now have a clear choice for polymer cleanup:

- Rhino Dirt's lightweight, 4-pound bag completely absorbs up to two gallons of polymers
- Sweep it up with a broom and the job is done in minutes, not hours
- Rhino Dirt leaves no slippery residue, mitigating employee health and safety risks
- Clean polymers off all surfaces, including shoes, tools, uniforms - even hands
- Save up to 65% on cleanup and disposal costs - Rhino Dirt is EPA Approved & landfill safe in most states.
